### INTEGRATE PHASE

After Program

#### DIGITAL RETURNEE SEMINAR

Complete this non-graded, non-transcribed seminar that addresses the emotional, intellectual, and practical challenges of integrating a learning abroad experience into life at home. At the end of the seminar, answer 3-4 reflection questions to help you articulate how your experiences abroad relate to your personal, academic, and professional goals.

#### RETURNED STUDENT EVENT

Attend a minimum of 1 Learning Abroad event for returned students. There are dozens of approved events for returned students each year. A list of pre-approved events can be found on the Global U Program website. For the most up to date information about events, please contact Learning Abroad.

#### TESTIMONIAL

Write content for a testimonial about your Learning Abroad experience that Learning Abroad can publish on its website. Articulate how you earned your Learn Phase badge(s), what you gained from your experience, as well as how you plan on applying and building on the transferable skills you gained now that you have returned from your program.
